**Guaranteed Entry Deadline: Wednesday April 17th
Schools that register by this date will be guaranteed entry into Track Wars this year**

Schools that register between Thursday April 18th and Sunday April 28th will be accepted on a first come first served basis until we reach a maximum of 50 schools. We have found that if more than 50 schools register not all athletes get an opportunity to have three attempts in the field events and we get way behind in our track schedule

Entry fees must be paid at the registration table before school packages are released.

Registration: A registration table will be set up at the administration trailer located closest to the bleachers at the start line.

Officiating: All duties will be carried out by WRDSB and WCDSB schools!

RESULTS: Live results can be found at <http://www.kwtimers.ca/>

All subsequent attempts will only be measured if they are beyond the distance of the 8th place competitor from the first round. Adjustments may also be in place for pole vault and high jump depending on the number of competitors.

Track Wars 2024 Entries Information

Please see above for the two entry deadlines

All entries are to be done online at Athletic.net.

Please note that you do not have to enter the athletes or your relays into events online. You are just submitting your team list by age group. All entries will be done at the start line or at the field events. You can even import an excel sheet into the database in Athletic.net to enter your roster and then select the athletes that you want to come to Track Wars.

When you are logged into Athletic.net and have created your account and added Track Wars 2024 to your team calendar, please do the following.
